1.7 (1:00/21:04:04) VTR – FOUR GAUNTLET PREVIEW

- Explanation

1.8 (4:46/21:08:50) IN RING W/ JIM CORNETTE & MATT MORGAN

- **Producer: Vince Russo**
- Cornette: “Well, as always, TNA is going to start the new year off with a bang, as tonight, for the first time ever in wrestling history, there will be four gauntlets on this show to determine the official rankings of the year in the Knockout Division, the Tag Team Division, the X Division and the Heavyweight Division. In conjunction with that, Final Resolution is shaping up to go down in TNA history as one of the greatest PPVs of all time. Before I run down the entire card, let me first announce a match that was signed during this past week. Robert Roode has asked and been granted a mixed tag team match at Final Resolution where he and Ms. Brooks will team up against Booker T and his lovely wife Sharmell. Final Resolution will be headlined by the heavyweight title match with Kurt Angle and Christian Cage. From there...”

1.9 **SAMOA JOE M&E (BABYFACE)**

- Joe: “Cornette, I want you to explain to me how you can announce a TNA PPV card without Samoa Joe’s name on it. Samoa Joe has done nothing but give everything he has to this company for the past three years. You talk about a glass ceiling in TNA, Cornette? Where’s the glass ceiling? Huh? Where is it? Why do I keep banging my head against nothing but concrete pillars. Where’s my title shot? Huh? Where? Where is my contract that’s worth more than the paper it’s written on? Everyone around here gets an opportunity except Samoa Joe. Hell, you even gave that goof Scott Hall a title shot with his buddy Kevin Nash at Final Resolution, simply because he signed his name on the contract. I’m glad that he shoved it straight up your ass at Turning Point. You got exactly what you deserved.”

1.10 **KEVIN NASH M&E (BABYFACE)**

- Nash to the ring
- Nash: “You know what, Joe? I stood by one time when you buried my friend Scott Hall in front of my face at Turning Point, but I won’t do it again. You’re running down a guy that has had more problems in his life than you and I combined. You have no idea why he didn’t show up at Turning Point, and you have no right to open up your mouth about it. I think you need to recognize your place in this business. I think you need to recognize what I have done and what you haven’t done. I think you need to recognize what I’m trying to do for you”
- Joe: “Kevin, the only thing I recognize is that it’s my time, whether you like it or not. So maybe it’s time for the Kevin Nash’s and the Scott Hall’s of the world to move aside.”
- Kevin: “No problem, Joe. Why don’t you move me aside?”
- Kevin steps up in Joe’s face

- Cornette: “You know what? I’m sick and tired of everybody telling me what they want. I’m sick and tired of everybody telling me the way things are going to be. Starting tonight, it’s not going to be about what’s best for the individual, it’s going to be what’s best for TNA, and the way I see it, we have a tag team title match at Final Resolution and Kevin Nash is short of a partner. Joe, you want your shot at gold here in TNA? Well consider it yours, because at Final Resolution, AJ & Tomko will defend their tag team title belts and it will be against Kevin Nash and Samoa Joe. TNA management has spoken, now hit the music.”
- **Show theme music on out**

1.11 (1:15/21:10:05) PRETAPE – CRYSTAL LOUTHAN W/ ROBERT ROODE & MS. BROOKS

- **Producer: Vince Russo**
- Crystal: “Robert Roode, Jim Cornette just announced the mixed tag that you demanded at Final Resolution. It’s going to be you and Ms. Brooks against Booker T & Sharmell.”
- Roode: “That’s exactly right, Crystal. If Sharmell wants to step in that ring and get in my face, then let’s make it official and let her step in that ring, because Booker, let me make one thing perfectly clear, Robert Roode has no problem smacking the taste out of a woman’s mouth.”
- Ms. Brooks: “Well that takes a real big man to hit a woman. I despise you. I despise everything about you.”
- Roode: “You despise me? I love the fact that I get under your skin that way. Let’s make one thing clear...you WILL be my partner at Final Resolution and you will do exactly what I say.”
- Ms. Brooks: “I don’t have a problem with Booker T or Sharmell.”
- Roode: “My problems are your problems, and if my problems aren’t your problems, then Robert Roode will be your problem. You will do as I say or you will be back in that strip club working for dollars.”
- Roode walks off

- **Producer: Vince Russo**
- Brother Ray is eyeballing Crystal up and down
- Crystal: “You know what, Brother Ray—I know this is my job, and this is what I’m expected to do, but I don’t have to stand here and take this from you week after week. Here’s the microphone—interview yourself.”
- Crystal walks off
- Brother Ray: “What did I do? I didn’t even say anything. What—she can’t take a joke? And, speaking of jokes--Third? We’re ranked third in this rankings gauntlet? Behind the Machine Guns and LAX. Who voted on that—the moron fans, or Cornette and his stooge. The bottom line is do you think it really makes a difference? Motor Machine Machine Guns, Black Machismo—what we start tonight—we finish at Final Resolution. You’re done—finished—Ultimate X? Me, Brother Devon and little Devine have been training night and day. I’ve been scaling walls like Spider-man and my brother Devon here—he’s been climbing like Curious George—no offense.”
- Brother Devon: “None taken.”
- Brother Ray: “Boys—or kids—you’ve fallen into the trap—tonight we start the fire—at Final Resolution we put it out!”
- Brother Devon: “Oh, my brother, testify!”
- VKM and Roxxi walk in and ask Brother Ray—“Where’s Crystal—we have a scheduled interview with her.”
- Brother Ray: “I ate her.” (He hands BG the mic)
- Kip grabs the mic from BG
- Kip: “Good, this gives me the chance to interview you. When are you going to formally announce that I’ll be your tag team partner when you take advantage of the title shot you won at Feast or Fired?”
- BG: “I’ll announce it when I’m ready to announce it. I’m still scouting.”
- Kip: “I’ll give you something to scout--scout this, you jack !@#\$!”
- Kip gives BG a crotch shot and walks off
- BG to Roxxi: “Why does he have to be like that?”

- Crystal: "Kurt Angle—we're only three days away from Final Resolution and your TNA Title Match against Christian Cage. Due to the indecision of AJ Style and Tomko—it appears that this match can go either way."
- Kurt: "Either way? Are you kidding me? First of all—I know what the decision of AJ and Tomko will be—when you have the opportunity to be in the camp of an Olympic Gold Medallist—you don't pass that up. I have everything those guys want—both professionally and personally (Kurt looks at Karen). But you know what—like everybody else I'm sick of all the drama. So even though AJ's not here tonight—I'm demanding that Tomko meet me in that ring tonight and make his alliance with me official. Now—as far as Christian Cage goes—Cage—you might not even make it to Final Resolution—because tonight—I have a plan for you—never underestimate the brains of Kurt Angle—as they say—in a drawer full of knives—I may not be the sharpest."

 - Tomko: “Who said that?”
 - Crystal: “Well Kurt said a few moments ago that he was going to DEMAND an answer from you tonight.”
 - Tomko: “Demand? Nobody demands anything from me. I’m sick and tired with the lack of respect. I made that mistake allowing Christian to get away with it, and I’m not going to make that mistake again. I’m not AJ—nobody disrespects me. You know what—I’m going to make this real easy for Kurt—I’m going to call him out to that ring—right now—and DEMAND his respect. I’m tired of this whole thing, Crystal. It stops tonight!”

- **Producer: Vince Russo**
 - Kurt: “That’s right, Tomko—I’m demanding an answer from you. I’m tired of the games you and AJ are playing. I’m three days away from a title match with Christian at Final Resolution and I have to worry about my own soldiers? What kind of an Army is this? I want an answer—and I want one now, Tomko—whose side are you on?”
 - Tomko: “You know what, Kurt—you’re right. The time has come for me to declare which side I’m on—even though I made up my mind weeks ago. When you talk about an Army—it means strength—it means unity—it means family—it means that you’ll take a bullet for the guy in the fox hole next to you. That’s what an Army means to me. So the question is—who do I take a bullet for—you, or Christian? Well—after little debate the answer was simple—in that fox hole—the only person I take that bullet for is myself!!! If you and Christian were to go down in a blaze of glory—that would be too fine with me.”
 - Kurt: “What are you saying, Tomko?”
 - Tomko: “I’m saying that I’m officially declaring taking the side of NEITHER the Angle Alliance, or the Christian Coalition—it is time for Tomko to be Tomko. It is time for me to be on my own.”
 - Kurt: (bows his head and then looks up) “You know what—I may not agree with it—but I respect it.”

- **Producer: Vince Russo**
 - Crystal: “Black Machismo, Guru, even though nobody is saying anything—it appears that there might be some “jealousy” in the air. Maybe concerning So Cal Val? It appears that Guru stole a kiss from So Cal Val at the Christmas Party right under Machismo’s nose?”
 - Black Machismo: “Hey—what are you John Stossel, or somebody? You know what happened to him—David Schultz—backhand across the face. But, Crystal, you know the Black Machismo would never hit a girl. But, Sonjay, yeah, got a little frisky at the Christmas party with Liz. Right under Machismo’s nose stole a kiss. What’s going on—yeah—this is just like what happened with Liz and the Hulkster back in the late 80’s. Don’t like it—no!”
 - Guru: “Jay, my friend, what are you talking about? A friendly, harmless kiss? I’m just spreading the love throughout all mankind. There’re no motives, no hidden agendas—look—I kiss everybody.”
 - Guru gives Crystal a peck on the cheek then goes to kiss Machismo
 - Black Machismo: “Hey—I don’t swing that way Adonis—but you know what? We’re friends and all—the Mega Powers—but I’m going to be keeping my eye on you.”
 - Machismo and Guru leave—Christian walks into the shot
 - Cage: “You know what—believe it, or not, I’m proud of Tomko—I’m proud that after all these years he took a stand. He wants to be his own man—walk tall—at least he came clean about it. At least he didn’t lock himself in his room all week. AJ—now that we know where Tomko stands—where do you stand? I just want to know, AJ, I want to know because after Final Resolution I want to know who’s going to share in the glory of the Champ—Christian Cage. Because—it’s going to happen. Kurt Angle—you come tonight—you come tonight and I will welcome you with open arms—because you see—Christian Cage is the sharpest knife in the drawer—and brains win over brawn every time—don’t you ever forget that Kurt—watch your back.”

But you know what? At Final Resolution this is all going to come to an end. Because Eric—I’m going to challenge you to the Drinking Championship Series...the DCS. It’s a drinking game—2 out of 3—the winner gets the stipulation of his choice in a match.”
- Crystal: “Drinking game—what are you talking about?”
- Storm: “I’ll tell you what I’m talking about—Edward 40 Hands—that’s what I’m talking about. We’ll start with that—a 40 taped to both hands. The game is to not spill the beer—you can’t shake hands, you can’t pee, you can’t do anything until the 40’s are gone. The first one to down both 40’s wins.”
- Crystal: “I can’t wait to hear what the other two are.”
- Storm: “I’m still in the process of inventing them—as soon as I know, Crystal—you’ll be the first one I tell!”
